

Clinton Spring Fair

CAR SCAVENGER TOUR

Track your total km's driven from question 1 – 17.

Email this sheet with your answers to submitclintonfair@tcc.on.ca. A random draw will be made from the correct answers for a Free Oil Change from Huron Tirecraft.

1. The starting point is a 4-way stop in Clinton, where 3 streets meet. 1 street named after a tree and 1 named after the founder of a Clinton business. Name the three streets:

1 _____
2 _____
3 _____

Hint: don't gamble on your answer.

To make tracking your km's easier, start a trip meter once reaching the location in clue #1 or write in your odometer reading here:

2. Head north to another stop sign, not too far.
Name the brick building on your right: _____
3. Continue north toward a village named after a colour, on your way you will drive through a hamlet which name is opposite of winter valley.
This place is called _____
4. Once you have travelled 5.5 km from this hamlet you should be able to turn left toward a historic site. What is the name of this site and when was it built?

5. Find your way to that village named after a colour, the village is named _____ and what is the name of the campground? _____
6. Now head east toward a fairly new micro business named after an instrument or tool to herd animals. This place is called _____
7. Head south only a little more than 1 km and you should be at another famous landmark business called _____
8. Continue south through a little borough called _____

9. Turn left on the first concession south of this borough, then right at the first road crossing. This road ends at a place with a name that sounds like an 80's hairstyle called _____
10. Turn right on a road which name is the answer to question 3. And that road would be _____
11. Take your next left on a road name that is opposite of domesticated animal called: _____
12. Continue to the road that takes its name from something produced at Niagara Falls. This road is called _____
13. Turn right and head for the dead center of town, although you are not in a town. What is the name of this facility? _____
Hint: dead center of town is an old Dad's joke.
14. At the next stop sign turn left on a road that's name is used in an old children's song about a bridge. The road is called _____
15. Continue to the second street over a set of railway tracks and turn right on _____ street.
Hint: the opposite of runner
16. Then turn left on a street which name is included in a famous Australian song called Waltzing _____
17. At the end of the street directly in front of you is a spot that's name would not be associated with a fast lady. Where are you at _____ and what do you find there _____

Take your time and explore if you haven't in the past because this is the end of our tour.

Total Km's driven from clue 1 to 17: _____

Name: _____

Phone: _____

Email: _____
