I would like to extend a huge thank you to all our 2023 sponsors local businesses and organizations and all the individuals who have sponsored or made a donation. given countless hours of their time preparing and helping to bring our Fair together. We are looking forward to another exciting and very busy weekend.

On behalf of everyone at the Huron Central Agricultural Society, I would like to welcome you and your Family to enjoy all the activities we have to offer at the Clinton Spring Fair.

FAIR AMBASSADOR'S MESSAGE

I am Kalli McCowan and I am the 2022-2023 Ambassador of the Clinton Spring Fair! I am so thankful to have been given the opportunity to represent the Clinton Fair and the Huron Central Agricultural Society this year. The Clinton Spring Fair has always had a special place in my heart, just like many others. The way the Clinton Fair brings people of all ages in the community together is so touching. I know so many people, myself included, who grew up going to the Clinton Fair with family and friends because you couldn't miss the Demolition Derby or because you really wanted to play the fair games or because you had to go on all of the rides. So many people have been impacted and have made so many memories from attending the Clinton Fair and that is why it was so important for me to get involved. I wanted to learn more, volunteer, and even become the Clinton Spring Fair Ambassador so I could be a part of bringing the community together while also informing others about Canadian agriculture.

It is so important to me that I have been given the opportunity to promote and educate the public on Canadian agriculture while bringing rural and urban communities together. The ambassador program is such an important tradition to keep youth involved in their local fair and agricultural society. I have learned so much from being this year's fair ambassador. I have improved my personal skills that will stick with me for the rest of my life, such as public speaking, as well as becoming more confident and outgoing. While at the OAAS Convention, I was able to go to seminars that taught me more about the ambassador program and what agricultural societies do for their communities. I am so excited to attend the CNE this August where I will be able to further develop my skills and learn more about what it means to be an ambassador.

Throughout my role as the Clinton Spring Fair Ambassador so far, I have loved meeting so many people. I was able to meet the other fair ambassadors at the OASS Convention in February, including my fellow District 8 fair ambassadors. It was so nice meeting the other ambassadors and I can't wait to see them again at the CNE

where I will be competing to be the Ambassador of the CNE. I also met so many lovely people at the ambassador competition in Clinton and then met so many more incredible people at the Clinton Spring Fair the following weekend. The people are truly the best part of this experience and the Clinton Spring Fair would not be here without you, whether you are behind the scenes or someone who attends the fair.

I am so thankful to be the Clinton Spring Fair Ambassador this year and I have enjoyed the opportunities that I have experienced through the ambassador program so far. I am also so excited for what is to come in the rest of my role as the Clinton Spring Fair Ambassador. I hope to see you all at this year's Clinton Spring Fair!

Kalli McCowan,
2022-2023 Clinton Fair Ambassador
